Healthy Benefits+ App Account Setup

- **Step 1 Download the HBP+ app on your phone.** You will be required to enter an email address and create a strong password you can remember.
- **Step 2 To set up the account:** Enter the card number, your zip code and the date of birth of the person enrolled in the program. The person enrolled is a child, use the child's date of birth. You will then be prompted to enter your email address and create a password. Make sure you write down this login info so you can sign in later.

If you are encountering persistent issues in creating or logging into your account, please contact your nutrition services coordinator for assistance in accessing a virtual barcode.
